PRAXI Network functions as a unit of the Foundation for Research and Technology – Hellas (FORTH), the largest and most well organized, equipped and staffed research centre in the country, with research successes that render it among the top worldwide. PRAXI Network has presence in 5 cities in the country: Athens, Thessaloniki, Heraklion, Volos, Patras. Since then, PRAXI Network has introduced important initiatives aiming at the technological cooperation enhancement between Greek and foreign enterprises and organisations. PRAXI Network provides innovation and technology transfer services to enterprises and research organisations for achieving innovation driven competitiveness, accessing public and private funding and exploring new market opportunities in Europe and beyond as well as exploiting and commercialising research results. PRAXI Network has been a Coordinator of the Enterprise Europe Network Hellas since 2008 interchanging its role with EKT. It is (and will be) responsible for the provision of advanced advisory and partnering services covering the whole spectrum of the EEN mandate

My Action Plans

Is draft Company name Submission ID Created Completed

The objective of EEN2EIC is to empower EEN network offices support potential EIC applicants, specifically women entrepreneurs and widening countries, and Seal of Excellence (SoE) holders. The project aims to develop a strong cooperation mechanism between the European Innovation Council and EEN in order to support innovation and scale up companies.

The 1st objective of the project is to support to innovative companies in a) widening countries and b) women-led innovative companies across the whole EU and HE 3rd pillar Associated Countries aiming at preparing high quality EIC Accelerator proposals.

The 2nd objective of the project is the support to EIC Accelerator Seal of Ecxellence (SoE) holders to obtain funding from private and/or public sources.
